

2027 8th International Conference on Computer Vision and Computational Intelligence

January 22-24, 2027

Ritsumeikan University Osaka
Ibaraki Campus, Japan

The 2027 8th International Conference on Computer Vision and Computational Intelligence will be held at Ritsumeikan University (Osaka Ibaraki Campus), Osaka, Japan during January 22-24, 2027.

Publication: All accepted and registered papers will be published in the CVCI 2027 **SPIE Conference Proceedings**, which will be included in **SPIE Digital Library** and indexed by **Ei Compendex**, **Scopus**.

SPIE. DIGITAL LIBRARY

Keynote Speaker

Prof. Nikola Kasabov (IEEE Fellow)
Auckland University of Technology,
New Zealand

Invited Speaker

Assoc. Prof. Kazuya Ueki
Meisei University, Japan

Conference Venue

Ritsumeikan University (Osaka
Ibaraki Campus), Japan
Address: 2-150 Iwakuracho, Ibaraki,
Osaka 567-8570, Japan

Call For Papers

3D Modeling and Visualization
Biomedical Imaging New and Emerging
Applications
Biometrics
Cognitive and Biologically-inspired Vision
Color and Texture
Computational and Statistical Methods
Computer Vision and Image Processing
Applications
Content-Based Image Retrieval
Document Image Processing
Document Recognition
Image & video coding and transmission
Image & video processing
